

North Haven Art Association
75th Anniversary Art Show
Sale and Exhibit – August, 8, 9, and 10 – 2014

April 1, 2014

Dear Artists and Crafters:

Excitement is the word for 2014 as the Art Committee for the annual art show has planned a 75th Anniversary of the North Haven Art Association which will encompass the week of the show with celebration. Our show has existed since 1936 with a goal to raise the funds necessary for the library as well as celebrating the creativity of Maine artists – from both our island and the mainland.

To draw attention to the show and to raise excitement we will be advertising for two months in the *Courier Gazette*, the *Working Waterfront*, *The Free Press*, *Village Soup* and *Vinalhaven Wind*. Posters will also be up on the mainland as well as the islands.

The Preview Party on Thursday, August 7, 5-7pm will be the big splash to celebrate our 75th year. Attendees will be voting for the BEST IN SHOW (three categories, children, adult art and crafts) for the first time in years. AND there will be live music and champagne!

The attached flyer gives you the details of the show. **Again this year we will log-in work on Tuesday, August 5th**. Additional Log-In sheets are available on the Art Association's web-site: [Http://artassociation.northhavenlibrary.org](http://artassociation.northhavenlibrary.org). You can also register at this site to save time on Log-In day. Please include your email address if applicable on your sign-in sheet.

We do not take orders for artists or crafters work. If you would like orders taken, leave a card or notice with your work and purchasers will contact you directly. We invite all artists to provide a mini-biography or business card to be displayed with their work.

Of the greatest importance is the VERY careful labeling of every single object that is exhibited for sale. Please do NOT use numbers or markings associated with other shows – only the number and letters assigned to you and your work for this show. Each piece of art or craft must be labelled separately with your North Haven Art Show identification. This will assure you of prompt accurate payment for sales of your work.

Thank you so much for your past support, and for joining us this special year! We all look forward to seeing you at the August show and exhibit.
